ABOUT ME

Aspiring MERN Stack Developer and motivated Computer Science student with hands-on experience in full-stack web development, cybersecurity concepts, and Java programming. A self-learner currently deepening MERN stack skills by building real-world projects and working on a freelance web development project. Pursuing the Google Cybersecurity Professional Certificate and actively practicing problem-solving on LeetCode. Seeking an internship or full-time role to apply and expand technical skills in real-world development environments.

EDUCATION

2024 - 2027

Rathinam Technical
Campus

**Bachelor of Science - Computer
Science with Cyber Security**

Rathinam Technical Campus. Gaining knowledge in network security, ethical hacking, and system administration. Actively working on web development projects using the MERN stack and building practical skills through hands-on learning.

EXPERIENCE

2025 - NOW
